IN ASSOCIATION WITH:

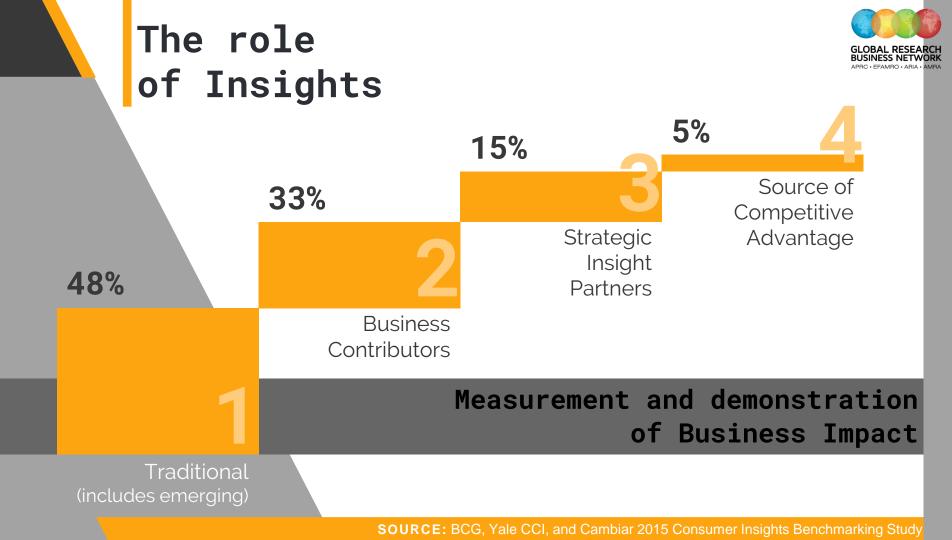

#### 1. Why Business Impact

# What is the business impact of INSIGHTS?

IT'S NOT BUDGET EFFICIENCY
IT'S NOT CHEAPER & FASTER

IT IS THE MEASURABLE
 INFLUENCE ON DECISIONS
 AND ON BUSINESS RESULTS

#### Benefits of measuring the Business Impact of Insights

Increased stakeholder satisfaction

#### Seat at the strategic table

#### Greater budget

#### More control over budget

More freedom to innovate and initiate strategic work

Increased resources

#### Respect

Difficult to do – studies are used in many different ways

Difficulty in isolating impact of Insights Time lag between insight delivery and business results

(Quantifiable) Business objectives not clearly defined

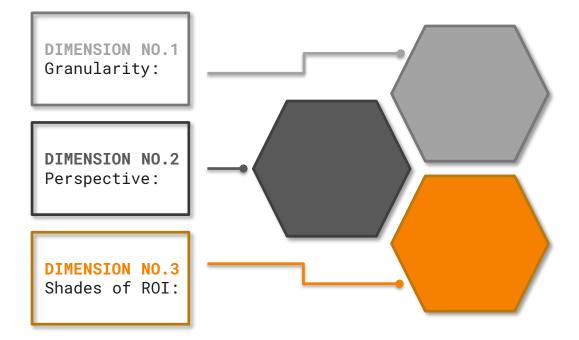

Insights distant from business decision-makers

Lack of alignment on impact metrics

Barriers to measuring Insights Business Impact
